Map is an approximation
 Actual course may vary slightly

Non-Traditional Jackpot

Gamble may be collected at any time.

123 is worth 15 points

1234 is worth 20 points

12345 is worth 25 points

If your dog takes the first obstacle of gamble and you are behind the line, I will consider that to be your gamble attempt.

You must remain behind the line until your dog completes the last obstacle of the gamble in order to get credit.

You will continue to earn points for obstacles taken after the horn.

The table is live at the horn,
 and is worth 5 points to end the game.

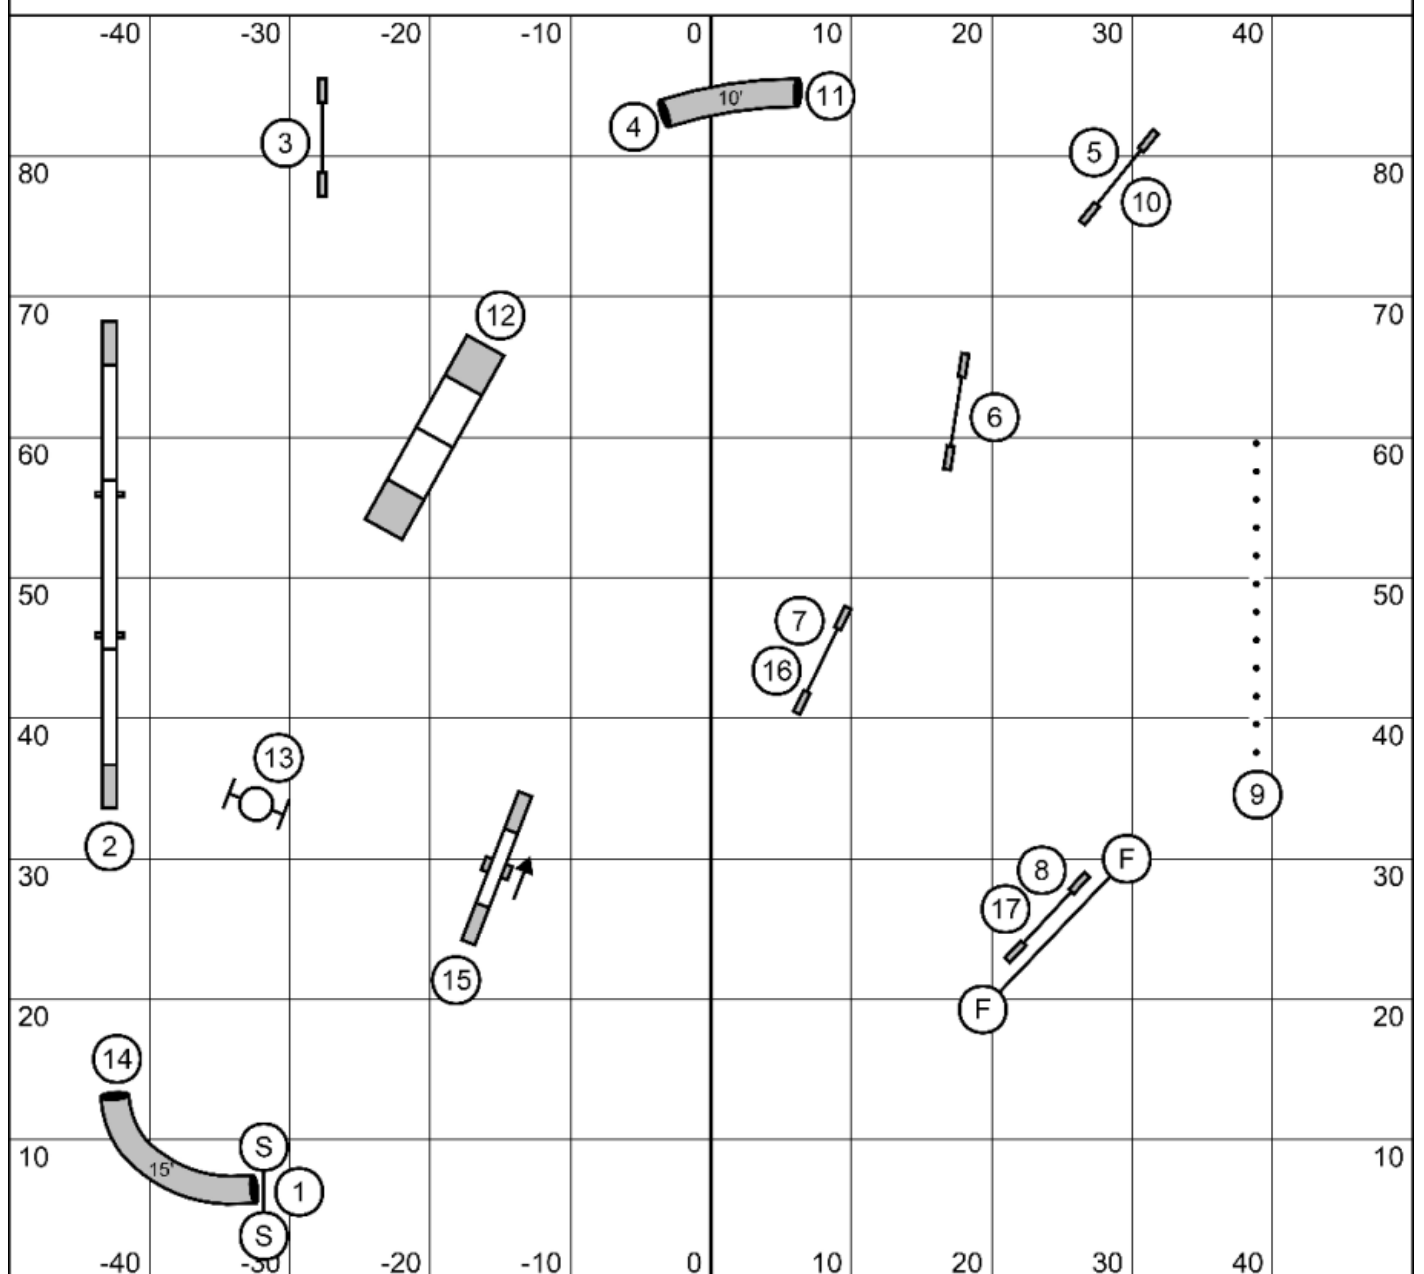

Going over time, or
 failing to complete the gamble and point requirements,
 will result in an NQ.

Obstacles may be done twice for points outside of the gamble.
 Back-to-back obstacles are fine if done safely.

7 points: weaves the first time only
 5 points: AFrame, dogwalk, combo in flow
 3 points: tunnels, weaves, bi-directional double
 1 point: jumps

4/8/12 inch dogs have 35 seconds, plus 20 after the horn.
 16/20/24 inch dogs have 30 seconds, plus 18 after the horn.
