Event Logistics:

FCAT will be divided into one-hour time blocks with concurrent tests. We will do our best to accommodate requests, but preferred time blocks are not guaranteed. Workers/volunteers may run their dogs prior to the first morning block as part of equipment testing.

The field committee reserves the right to alter the schedule in the event of inclement weather.

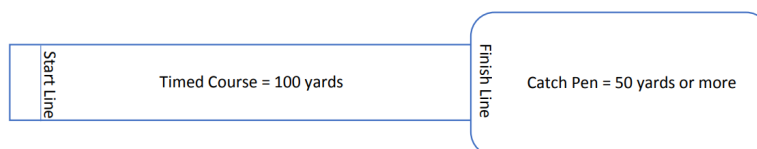

This is a “show & go” event, we ask that you depart the site when you have completed all your runs unless you are available to assist other entrants.

Every dog must pass through inspection before **each run**. Dogs who have not been inspected for each run will not be allowed to run. If you do not check in within one hour prior to the end of the test closing, we will assume you are absent.

No refunds for absent dogs. At inspection, all dogs will be examined for fitness to run. Females known to be in season are **not to be brought to the test**. Please contact the Test Secretary if your female comes into season prior to the event. At inspection any females in season, lame and unfit dogs will be excused with entry refunded.

Collar Rules: Dogs may run without a collar or wear any type of collar except choker collars, electronic training collars or head collars. Collars should be snug. Hanging tags pose a safety concern and will not be allowed. Dogs may run muzzled if desired. Clips or rubber bands may be used to keep long hair from falling across the dog’s field of vision. No Open toe shoes or bare feet allowed anywhere on the course! **NO prong collars are allowed anywhere on the grounds as per the AKC!**
