Opening:
 Start jump is bi-directional.
 Start jump, if taken again, is just wasting time.
 Finish jump live at all times.
 Refusals are NOT judged or faulted.
 3 reds must be attempted.
 All obstacles in the opening are bi-directional.
 If a bar is displaced on a non-red obstacle, it is scored as zero points and will remain as zero for the rest of the run.
 Combinations in the opening may be taken in any order so long as each obstacle is only taken once.
 Must attempt each element of the combo before moving to next obstacle.
 If one element of combo is taken more than once PRIOR to the another element of the combo, complete the combo for 0 points and move on.
 If element of a combo is faulted, compete the combo for 0 points and move on.
 Finish jump is live at all times.

Closing:
 #2 is bi-direction.
 3-7 as numbered on the course.
