

**Final Confirmation for this weekend's UKI-NJ Benefit for
Bayshore @2962 Shafto Road, Tinton Falls NJ 07724**

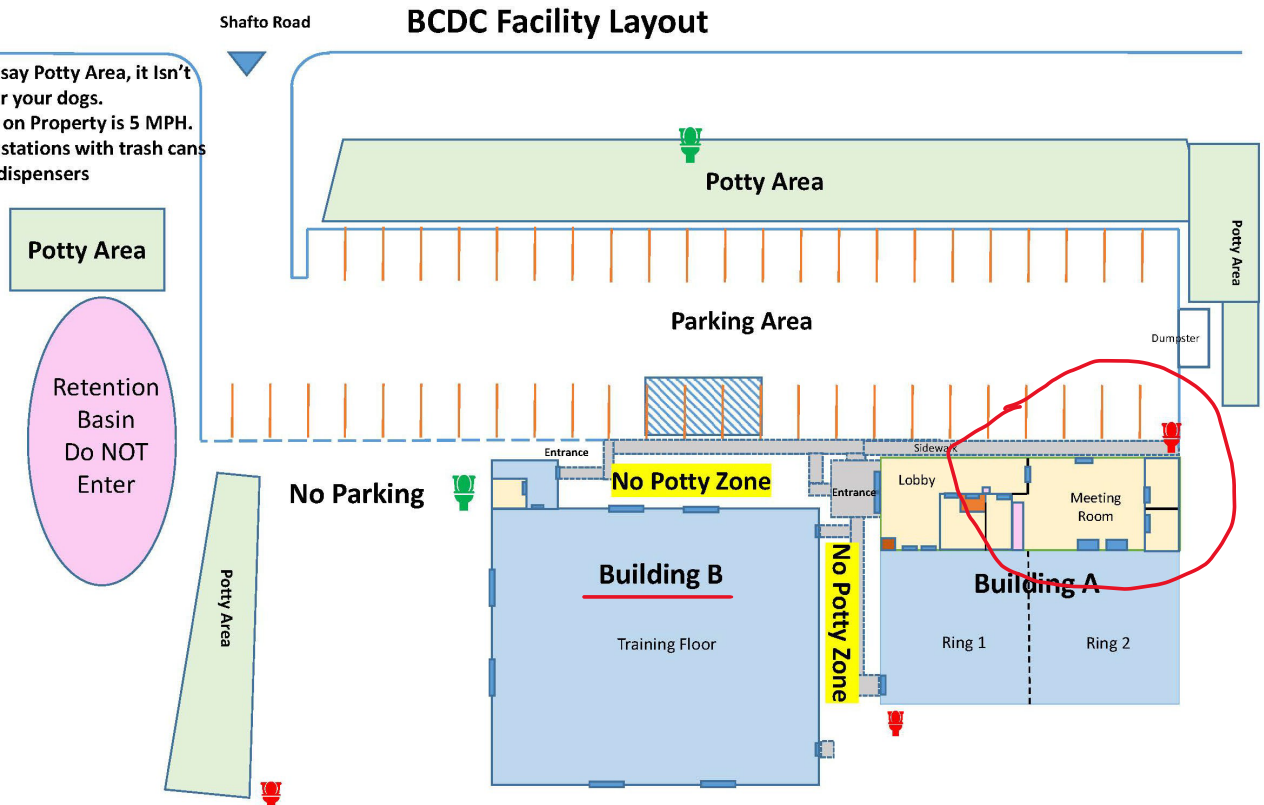

Saturday – Sunday October 17-18, 2026

For this trial, courses are designed and judged by UKI Judge Kelly Ely, also a Bayshore member. Show managers are Melisande Wolf on Saturday and Renee Shriver on Sunday -see them to volunteer. Thanks for entering; here are some details about the trial.

The trial is given in Building B with the new turf field. Plan to work from your car, or **crate in building A -- the small meeting room (with sink and fridge) highlighted here** (Enter through the white door along the sidewalk by Building A). Please pull headfirst into parking places so any car

NOTES:

1. If it doesn't say Potty Area, it Isn't
2. Pick Up after your dogs.
3. Speed Limit on Property is 5 MPH.
4.  Dog potty stations with trash cans
 Poop Bag dispensers

exhaust doesn't go on to the grass where people may be pottyng their dogs. Please use the map above showing the location of Building A and Building B.

See below for some newer information on Measuring and Course Map Distribution.

POTTYING is to be in the areas shown in green on this map. There are poop bag dispensers.

MEASURING

So here is what UKI wants to put in every final confirmation about measuring.

Please ensure you understand the new criteria regarding dogs being measured. UKI Rule Book edition 12

If a dog is under 3 and newly registered, a temporary measure or proof of the dog's height must be done by the dog's 3rd trial. A permanent measure must be obtained by a UKI official measurer between 12-18 months after the dog's first/ temporary measure. Any registered dog that only has a temporary measure, must follow the above rule. If a newly registered dog is over 3, they must obtain a measure by an official UKI measurer by their 3rd trial and this measurement will be permanent. If you ask for a challenge measure when you have a permanent measure, you must state this when you are getting the dog measured so the correct protocol can be followed, and you may not continue to challenge a measure when you have challenged it once.

Specific to this trial, UKI shows the following dogs need a measurement:

Luca Mutch, Nola Wisnieska, Torin DenBlyker, Magic Shriver, Mingus McCullouch, and Coltrane McCullouch

Please check with Paul during the day (not first thing in the morning) about measuring.

The trial secretary will take care of measurements as he is in charge of keeping all measurement data. There are now UKI height cards (green) which we'll give to people whose dogs are less than 3. If you were measured last year, try to remember to bring your big green height card. .

DIRECTIONS: (assuming everyone will be coming North on Shafto Road due to no-left-turn signs)

The site is located at 2962 Shafto Road (County Road 547) Northbound between Commerce Dr and Wardell Rd in Tinton Falls NJ 07724. Everyone should enter from Shafto Road northbound, as there are many "do not enter" and "no left turn" signs for Shafto Road southbound. The site is 1.9 miles north of NJ Highway 33. **From the Garden State Parkway south or northbound**, exit 100 for NJ – 33 (west,) towards Freehold. It is 1.1 miles from the southbound exit to the intersection with Shafto Road (stop light at the intersection). Heading Northbound on 547 look for a red "PMCC Services Event Here" sign, as well as Bayshore signs at the driveway. But if you find yourself heading southbound on Shafto Road, Commerce Place or the Pickleball building are ideas for where you might be able to turn around.

Coming from points west, heading East on 33, go through the traffic circle and continue East on 33, getting into the left lane to prepare to turn at the first traffic light which is Shafto Rd (CR 547). If you pass the AHS with its ADOPT signs you've gone too far, turn down Wardell Rd and try again.

ENTERING and EXITING THE BUILDING: The door to the lobby (“bump-out”) of Building B will always be open, garage doors may/may not be open depending on temperatures.

SCHEDULE (Ring_Setup only Is Friday, 530 pm, No exhibitor setup) Weekend low 39 high 62

Club member weekend volunteers should arrive as early as 730 in the morning.

Exhibitor Check-in starts at 7:30. The secretary table will be in the big room of Building B as there is now heat in that area (only); also, the crating room (building A Kitchen/meeting room is heated)

The general briefing will be around 8:15 with the first official walk-through (Senior/Champ Agility) immediately following.

Please **check in** with the secretary the first day you’re there to see what we have for you . The Plan for **COURSE MAP DISTRIBUTION** has evolved into:

--an email with the days courses will be e-mailed to all at 4:30 am (3 hours before opening)

--maps posted on mydogentry.com

--posting full size maps on the wall. There is Wi-Fi at this facility, so there will be very few printed out course map packets. Those who **still owe money** have been notified.

CLASS ORDER: Beginner / Novice now runs first like at most trials these days. High level class order: SATURDAY: Speedstakes, Snooker, Jumping, Combined Gamblers, Agility. SUNDAY: Agility, Combined Snooker, Jumping, Speedstakes 1, Speedstakes 2

Regarding games run “COMBINED” This means that everyone is briefed /walks/ runs the same one course, but scoring is still done by level.

DAY OF SHOW entries are allowed, let your friends / students know.

VOLUNTEERING: There will be a signup sheet for working . See Melisande Wolf (Saturday) or Renee Shriver (Sunday) regarding when you can work. Please be considerate of volunteers - some are new to agility and are working towards becoming Bayshore members, remember **we were all new once**. We will keep track of workers for “MIGS” sake.

WALK THROUGHS There will be only one walk-through per class.

Other things to know about this trial

EMERGENCY VET CONTACT: Garden State Veterinary Hospital – has moved, their new address is 246 Industrial Way West, Eatontown NJ 07724. And Red Bank VH is now at 100 Schulz Dr Red Bank 07701

FOOD: may now only be consumed in Building A. Workers and Competitors are strongly urged to bring their own provisions. Hospitality donations are most welcome and are to be put in Building A. There is also a WAWA about ½ mile North on Shafto Road.

MOVE UPS: UKI REQUIRES that you move up if you earn a title....however the move up is for the next day.

MUSIC: may play during course builds and walk throughs but not during your runs.

NFC runs – any run can be run NFC (Not for Competition). You may bring a toy and even another person into the ring with you, but no food. Be sure to declare to the scribe and judge that the run is NFC. Then you get up to course time to do whatever you want that is allowed in NFC. Any other questions about what you can do in an NFC run should be directed to the Judge.

PARKING:– Park courteously, the parking lot is just refurbishes, may not be lined yet.

PRACTICE JUMP – will likely be outside to the right of the building.

INFO STICKERS – should be available to put on the back of your ribbons.

RESTROOMS – Men’s and Ladies’ rooms are located in Building A between the meeting room and training rooms. No dogs in restrooms. The Restroom in Building B (in the “bump out area”) may also be available.

RESULTS – will be posted on a table or wall in the main arena. Final results will be e-mailed to all exhibitors (probably Monday), for your review, before being sent to UKI.

RIBBONS – will be put out near the results. Some bigger ribbons, for accomplishments like IAC, IWAC, CSS, WCSS are available. **THE NEW TITLE RIBBONS** are in, including a special **FIRST UKI TITLE** ribbon.

RUN ORDER the run order will be sent Thursday after noon.. I have separated the few instances of same handler, two dogs in a class as well as possible. We will have final run orders posted by the check-in gate still put out one at a time.

WATER –is available at hospitality table in small bottles; the hose is likely turned off. Any other food must be consumed in building A.

TRIAL SITE RULES AND SAFETY GUIDELINES - Dogs are to be on leash at all times except at the Practice Jump and in the ring. Please bring your own crate, crate cover, clean-up supplies, water and treats for your dogs. Be sure to clean up after your dog and look for trash cans around the site.

- Take home what you bring in! Make sure when you leave that you have everything you brought with you.
- You should add hand sanitizer or wipes to your training bag along with a mask if needed.
- DO NOT let your dog potty on any manmade objects, this includes the building, garbage cans or anything else not natural.
- The area between buildings A and B is a NO Potty zone. Repeat offenders will be fined.
- **If your dog has an accident in the building, there will be a \$10 fee per occurrence. There are also signs posted to this effect so sorry, but you cannot say you didn't know. There is a collection box that accepts cash for such incidents.**
- No smoking or vaping on the property.
- SURVEILLANCE: Please note this facility has 24/7 audio and video recording in public areas.
- Any questions or concerns please address them to your event staff immediately so we can make any necessary adjustments.

Otherness:

BAYSHORE COMPANION DOG CLUB will receive a portion of the proceeds of this trial.
