CPE now requires handlers to indicate if their dog will run back-to-back in the ring games. The courses will be the same for each day. This information will help with scheduling the groups as well as preplanning. There is a spot on the entry form for the handler to circle or to check on MyDogEntry, which will be required to be able to submit the entry. If the handler does not circle a response on the paper entry form, then CPE will assume the dog is not running back-to-back in the ring games. Once the entries have closed then the handler may NOT change.

Timer – Electronic Timers will be used. PLEASE!!! Ask if you need instruction. The Timer will tell the next handler when to go by pressing the "GO" button, after the previous dog has entered the exit leash box. The Course Marshal will hand the timer the scribe sheets to write down the time of the run.
Exception: Drag Race, the timer will have all of the scribe sheets and will add the time.

Ring Games – if you have pushed the "GO" button for the team to start their run and the dog bypasses the first obstacle and crosses the "plane" of the start line/obstacle, you **must** start the dog's time regardless if the handler resets the dog before the start line. The dog's time HAS begun when the dog crossed the start line. If there is an issue with the timer and it affects the dog's run, then the dog will get a rerun.

Timer Assistant for Drag Race – Once the Gate Steward gives the name and armband number for the next dog then the Timer Assistant will provide the scribe sheet to the Timer to add a time for the dog once the run is finished.

Gate Steward – In DRAG RACE notify the Timer the name of the dog, armband number, and confirm the Timer is ready. Allow the dog releaser to go into the ring ONCE the lure is in place, the previous dog has left the ring, and the catcher is in the ring. In the RING GAMES clip the scribe sheets for each dog entering the ring onto a clipboard and hand the clip board to the Course Marshal. Notify the handlers when to enter and will let the Course Marshal know of any problems or special circumstances.

Gate Steward Assistant – The Assistant for DRAG RACE will check dogs in and give the competitor a slip with the dog's name so the competitor can give the slip to the Gate Steward. The Assistant for the RING GAMES will check in the dogs. ONLY the Gate Stewart or Gate Stewart Assistant can move the dogs if needed.

Leash Runner – RING GAMES ONLY. Please walk the leash to the Out Gate Leash box and place it on the chair. **Do NOT** put the hand loop or collar over something where the dog may get hurt.

Exit Gate Helper for Drag Race – Help the person catching the dog to quickly leave the ring so the next dog can run down the line. The next dog may not enter the ring until the previous dog has been caught and out of the ring. Ensure the gate is closed for the next dog to begin. The catcher may go into the ring when the dog is announced, and the lure is in place. **NOTE:** Be sure correct catcher is in the ring for the correct dog.
